

Help Pastor Ellen Plan Next Year's Sermons

Each year I take a week in silent retreat to pray, study, read and plan the next year's sermons. I'd like to invite you to give input on the coming year's sermons. Here's how you can help: 1. Offer a brief prayer inviting God to use you as you give suggestions for sermons. 2. Answer the following questions on this form or in an email to me (ellen.mccubbin@gmail.com)
